

Frame is Premium  
Lightweight Aluminum

## Testimonials

*Nice simple product*

*"I did not realize how nice it is to have my nightstand table top back; before the CPAP machine, hose, and mask left little of it to use."*

*- Paul M, TX*

*What a Great little device*

*"I sleep on my grandma's sofa when visiting' - she has no end table, and likes all put up each morning... so this easy to assemble / disassemble portable CPAP table is perfect!"*

*- Sally W, VA*

*Arden succeeds again*

*"Arden's new Bedside CPAP table is a splendid compliment to their wonderful CPAP Hose Lift product. Both are blessed comfort aids to the drudgery of CPAP use - simple to use, lightweight, and portable."*

*-Tony P, FL*
