

Rio II Nasal Mask

[CLICK TO LEARN MORE](#)

Rio II
Nasal Mask

- ✦ *Under-The-Nose Cushion*
Innovative design provides minimal contact and eliminates pressure on the bridge of the nose.
- ✦ *Quiet Operation*
Circular dispersion vent reduces noise levels to as low as 20dB.
- ✦ *Modular Frame Design*
Compatible with all cushion sizes (S, M, L) for easy customization.

Rio II Nasal Mask

Ease of Maintenance

Easy to clean with components designed for simple disassembly.

Material Quality

Made from hypoallergenic materials to reduce skin irritation.

Fit and Comfort

Adjustable headgear and soft cushion edges for a secure and comfortable fit.
