

Deep restorative sleep for mouth breathers.

The World's First Cloth Full Face PAP Mask

Presented With Compliments From
www.DirectHomeMedical.com

Comfortable Seal for Mouth Breathers:

The dual interface design individually seals around the nose and the mouth allowing only soft cloth to touch the skin.

Open Face Headgear Design:

Allows virtually unrestricted vision; great for people who like to fall asleep while reading or watching TV. Accommodates eyeglasses.

90° Elbow Swivel Connector:

Allows users to sleep in more natural positions; easy to remove and clean.

Gentle Exhalation:

Exhalation holes are in the front of the mask providing a quiet and gentle flow of air.

Seals in a Snap:

Two quick release snaps makes Anew one of the easiest masks to put on and take off.

Easy to Clean:

Quick & simple to clean the material that routinely comes in contact with the skin surface.

Super Lightweight:

Users barely notice the weight of this mask.

3 Sizes:

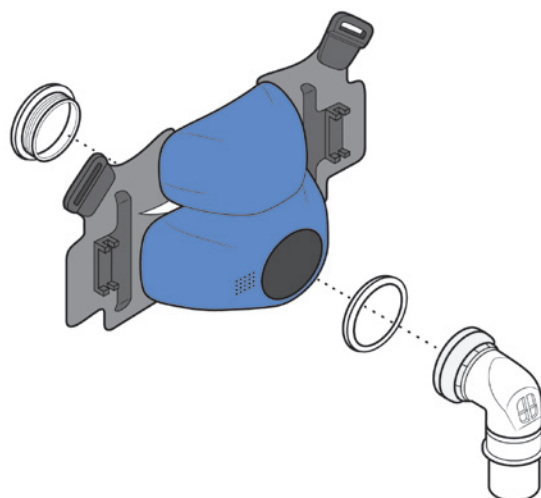

Multiple size options allow users to find the perfect fit for their face; expands the number of users the mask will fit.

Moisture Vapor Breathable:

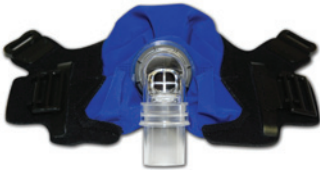

High-tech material allows the skin to breathe naturally, wicks away moisture and leaves no pressure marks common with rubber or silicone seals.

Loose Fit:

As with all SleepWeaver masks, the unique "loose fit" provides ultimate comfort and eliminates strap marks.
